Opening Plenary:

Correspondence and contributions distributed for review. No action taken.

WG1:

Service Architecture System Requirements distributed for review and comment.

Legacy MS Features Requirements distributed for review and comment.

WG2:

Considerable discussion of LMSD work plan based on the PMT-provided end date of June 2002.
Decision needed at closing plenary whether to provide input to PMT Release Planning.

Discussion of impact to workplan indicates a minimum of two month slip in all scheduled projects.

WG3:

Discussion of impact to workplan indicates a minimum of two month slip in all scheduled projects.

WG4:

Recommendation that N.S0026-A (TIA/EIA-124-D) be submitted to SC for 15 day review.

WG6:

Proposal to terminate this WG as internationalization has become part of the mainstream development process. Decision deferred til next meeting.

Closing Plenary:

Correspondence to TSG-P requesting reports of their IETF liaison progress was approved as modified.

Correspondence to TSG-C requesting them to support +code dialing was approved as modified.

Correspondence to the TSG-S PMT providing a worksheet for Prepaid Enhancements was approved as modified.

Correspondence to TSG-S regarding use of the term WNO was approved as modified.

Correspondence to TSG-S responding to their request for comment on a Location Services worksheet was approved as modified.

Correspondence to TSG-S responding to their request for comment on new worksheet was approved as modified. Contacts for TSG-N were provided.

Correspondence to TSG-C and TSG-S regarding support of AKA in TSG-C was approved as modified.

Correspondence to TSG-S regarding the MSCf-MSCf interface and the proposed new architectural figure was approved as modified.

Correspondence to TSG-S and the PMT Release Planning task group was approved as modified.

Correspondence to TSG-A requesting support for network initiating mobile registration was approved as modified.

Correspondence to TSG-C and the SC providing a worksheet for Priority Service was approved as modified. The SC Chair will be requested to forward this to the OPs for approval as a 3GPP2 work item.

Correspondence to all other TSGs providing the Accounting and Auditing System Requirements for review and comment was approved as modified.

Correspondence to TSG-S providing the Accounting and Auditing System Requirements for review and comment was approved as modified.

N.S0026-A will be sent to the SC for 15 day review as soon as it becomes available.

Agreement was reached to re-prioritize the WG agenda's to better match project priorities.

The updated workplan was approved as modified. Note that many projects have slipped two or more months due to the cancellation of the Sept. meeting and extremely low attendance at the October meeting.
