38

1 **INTERIM PLENARY**

2 The meeting was reconvened on 16 January 2003 at 8:50 AM local time.

3 Quorum was established at the opening Plenary and not challenged at this time. Eight (8)
4 additional companies on the TSG-C quorum were noted in attendance.

5 The Chair noted that the discussions in this interim Plenary would be limited to the determination
6 of TSG leadership for the next term.

7 12. ELECTION OF TSG CHAIR/VICE CHAIRS (continued): The Secretary noted the
8 receipt of one (1) additional letter of support. That letter was received in hardcopy format
9 only from Ericsson in support of the nomination of Phil Brown for the position of TSG-C
10 Chair.

11 The Chair asked if there were any other letters of support to be submitted and none were
12 noted. He then declared the nominations to be closed.

13 Ed Tiedemann (QUALCOMM) noted his withdrawal of his name from nomination as
14 TSG-C Chair in deference to the intent of the WPD for rotation of responsibility for TSG
15 leadership among regions and at the request of the Head of Delegation for TIA. He
16 encouraged all other TIA candidates to do the same.

17 Bob Marks (Samsung) noted that, although all candidates were fully qualified, Samsung
18 strongly recommended that the membership support the philosophy of global participation
19 and rotation of authority as intended by the 3GPP2 WPD.

20 Yukio Yoshimura (NEC) requested to know the reason for the nomination of Phil Brown
21 from Ericsson (TIA) based on the rules of 3GPP2 WPD - specifically Article 22 as
22 follows: "Successive Chairs should not usually be from the same Organizational Partner,
23 the same region or from the same group of companies." In response, Krister Raith
24 (Ericsson), noted that his nomination of Phil Brown was based on the interpretation that
25 this requirement for rotation of power is suggested and not mandatory. Phil Brown
26 (Ericsson) also indicated that his nomination was submitted based on Ericsson's
27 assessment of the potential effectiveness of the nominated candidates in light of the future
28 development activities of the TSG and in their belief that Phil Brown was the best person
29 for this job at this time. NEC strongly stated their support for rotation of authority.

30 Several companies noted their gratitude to Ed Tiedemann (QUALCOMM) for his sacrifice
31 and his commitment to support of the spirit of the applicable WPD rules.

32 There was substantial additional discussion on the WPD rules covering the rotation of
33 authority for TSG leadership since a TIA company has held this position for the last two
34 (2) terms.

35 Based on the withdrawal of the nomination of Ed Tiedemann (QUALCOMM), the slate of
36 candidates for the position of TSG-C Chair were noted as follows:

- 37 • BK Yi LGE (TTA)
38 • Phil Brown Ericsson (TIA)

1 Both candidates were then requested to provide an overview of their background and their
2 plans for their leadership during the upcoming term. Both candidates gave a brief verbal
3 response.

4 The Secretary reviewed the guidelines for the elections, based on the 3GPP2 WPD
5 Article 28, as follows:

- 6 • All ballots will be conducted by secret ballot. The 3GPP2 Secretariat was present
7 at the meeting and was responsible for counting the votes.
- 8 • Based on the early preparation of the ballot, only the nomination of BK Yi (LGE)
9 is noted on the ballot. Therefore, votes for Phil Brown (Ericsson) are required to
10 be “write ins”.
- 11 • The first ballot will be an attempt to determine if any candidate achieves a 71%
12 majority. If a 71% majority is not achieved by any candidate, a second ballot will
13 be required to determine the winner based on a simple majority.
- 14 • A total of 29 ballots were distributed (i.e., 26 members in attendance eligible to
15 vote and 3 valid proxies). The Secretary noted that, based on the WPD
16 requirement that the total votes cast for one (1) candidate or the other must exceed
17 50% of the Individual Members present (including proxies) who are eligible to
18 vote, 15 votes for one (1) candidate or the other must be returned for the vote to
19 be considered valid.

20 As a result of the first ballot, the BK Yi (LGE) was announced as the TSG-C Chair for the
21 next term. **DECISION: The TSG-C Chair report to the SC will include the**
22 **recommendation that BK Yi (LGE) be approved as the TSG-C Chair for the next**
23 **term.**

24 The Chair noted the following nominations for TSG-C Vice Chair for the next term:

- | | | | |
|------|--------------------|---------|----------|
| 25 • | Dennis Gentzler | ALLTEL | TIA |
| 26 • | Yoshinori Ishikawa | Hitachi | ARIB/TTC |

27 Both of the candidates for TSG-C Vice Chair were approved by acclamation.

28 **DECISION: The TSG-C Chair report to the SC will include the recommendation**
29 **that Dennis Gentzler (ALLTEL) and Yoshinori Ishikawa (Hitachi) be approved as**
30 **the TSG-C Vice Chairs for the next term.**

31 This session was recessed on 16 January 2003 at 10:05 AM local time.

33 CLOSING PLENARY

34 The meeting was reconvened on 17 January 2003 at 9:00 AM local time.

5 3GPP OPs providing copyright permission to incorporate 3GPP text into 3GPP2
6 specifications and reports. However, the 3GPP2 Secretariat did note verbally in
7 the meeting that the exact 3GPP permission language to be noted on those 3GPP2
